Fabrics: fleece, flannel, heavy cotton, denim, and felt. We like fleece the best, but for a kids group project, felt would be perfect.

Filler: batting or heavy flannel.

Thread: button twist, quilting, embroidery, candlelight, embroidery floss, regular sewing thread.

Hanger: 10" or ribbon, cording, yarn etc.

Optional: Tear-away stabilizer, tissue paper, typing paper

The look you want will determine your fabric, filler and thread choices. There really are no rules 😊.

Instructions

1. Determine your fabric and batting.
2. Transfer the pattern shapes to your fabric and cut out. Cut out 2 of both of the bassinet shapes; Depending on your fabric choice, you might have to reverse the bassinet pattern pieces to cut out the second set.
3. Transfer the pattern shapes to your filler and cut out.
4. Trim these filler pieces 1/8" to 1/4" smaller than your original size. This will allow you to stitch them down without the filler showing beyond the fabric.
5. If you want to embroider your child's (or grandchild, niece, nephew etc) name onto the bassinet, you need to do it now, before assembling the ornament..
6. Add your filler piece to the back of the bassinet base.
7. Sew the bassinet base together (front – filler – back) as shown on the black & white illustration. We used a long straight stitch with a button twist thread. Remove any pins when finished.
8. Take your 10" hanger medium, fold in half and pin into place as show on the pattern diagram. About 1" of the hanger needs to be inside or to the filler side of the bassinet base.
9. Place your bassinet hood on top of the completed base: front – filler – back, pin together. Be certain to place the hood on each side of the bassinet base. Use your straight stitch and stitch completely around the bassinet hood as seen on the diagrams.
10. Remove any pins, make sure your hanger is secure – and hang your "Bassinet Baby" ornament.

If you're going to use "Bassinet Baby" as a project for kids, you can do away with any batting or filler. Use felt for the bassinet and embroidery floss for the kids to sew by hand.

Be sure to look for new additions to our Ornament Series 2.
